To Whom It May Concern:

While employed at Gary Iskowitz & Company, LLP, Lisa Marie Hilke was under my direct supervision for over 20 years. She began her employment as a general office assistant and advanced into several positions within the company. She is a very self motivated person and a quick learner. She not only is able to work independently; but, works well within a team. Our client's are high net worth individuals and Lisa Marie was trusted with their confidential and financial information. She had direct contact with several clients for whom we manage their personal business. During this past year, the company experienced the loss of several clients which dramatically reduced our work. If this were not the case, Lisa Marie would still be employed with our firm.

Please feel free to contact me if you should have questions or would like further information.

Sincerely,

Linda G. Madsen
